

No. 23-10090-J

JURISDICTIONAL QUESTIONS

Please address which order(s) Appellant's notice of appeal seeks to challenge, and whether any such order(s) is final or immediately appealable. *See* (doc. 6213); Fed. R. App. P. 3(c)(1) (providing that a notice of appeal must, *inter alia*, designate the judgment or appealable order from which the appeal is taken); *Rinaldo v. Corbett*, 256 F.3d 1276, 1278-80 (11th Cir. 2001) (explaining that we give liberal construction to the requirements of Fed. R. App. P. 3(c)(1), particularly with respect to *pro se* appellants); 28 U.S.C. § 1291 (providing this Court with jurisdiction to review final decisions of the district courts); *CSX Transp., Inc. v. City of Garden City*, 235 F.3d 1325, 1327 (11th Cir. 2000) (stating that to be appealable, an order must either be final or fall into a specific class of interlocutory orders that are made appealable by statute or jurisprudential exception); *Acheron Cap., Ltd. v. Mukamal*, 22 F.4th 979, 986 (11th Cir. 2022) (stating that a final decision is typically one that ends the litigation on the merits and leaves nothing for the court to do but execute its judgment).

To the extent that Appellant's notice of appeal designates an appealable order for review, please address whether Appellant has standing to appeal in this case. *See Marino v. Ortiz*, 484 U.S. 301, 304 (1988) (noting that only parties to a lawsuit, or those that properly become parties, may appeal an adverse judgment); *Wolff v. Cash 4 Titles*, 351 F.3d 1348, 1353-54 (11th Cir. 2003) (explaining that litigants must establish their standing to appeal judgments and that only a litigant who is aggrieved by a judgment or order may appeal); *Arcia v. Fla. Sec'y of State*, 772 F.3d 1335, 1340 (11th Cir. 2014) (providing that a litigant must suffer an injury-in-fact to have standing, and that requirement distinguishes a person with a direct stake in the outcome of a litigation from a person with a mere interest in the problem).

Jurisdiction & Venue

① This court has subject matter Jurisdiction pursuant to 28 U.S.C. § 1332. There is complete diversity of citizenship between the parties. In addition, Plaintiff seeks damages in excess of \$75,000.00, exclusive of interest and costs.

② This court has personal Jurisdiction over each defendant insofar as each defendant is authorized and licensed to
